RE: The Georgetown BID's FY18 Public Art Building Communities (PABC) Grant Application for the 2018 Georgetown GLOW Exhibition

Dear Chair Kendall,

On April 2, 2018 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by seven commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (7-0-0) with regard to the above-referenced matter:

ANC 2E supports the Georgetown Business Improvement District's (BID) Georgetown GLOW exhibition. The ANC believes that the BID's proposed project will benefit, enrich, and enhance the residential and business community where the exhibit is located. Over the last three years, the ANC has seen the Georgetown GLOW exhibition grow in size and quality, and we look forward to seeing more growth for the 2018 exhibition.

Throughout the year, ANC 2E works closely with the BID and supports them on their efforts to combine community programming and temporary public art. The ANC believes that Georgetown GLOW is an innovative way to incorporate public art into our community and appreciates that it generates positive awareness for Georgetown. The ANC believes that Georgetown is a unique neighborhood and that incorporating art into our community showcases our neighborhood and also furthers the reputation of both Georgetown and the District of Columbia at large as one which supports the arts and culture.

COMMISSIONERS:

Ed Solomon, District 1 Joe Gibbons, District 2 Rick Murphy, District 3
Mara Goldman, District 4 Lisa Palmer, District 5 Jim Wilcox, District 6
Monica Roaché, District 7 Zac Schroepfer, District 8

ANC 2E thanks the DC Commission on the Arts and Humanities for its time and encourages the commission to look favorably upon the BID's application for a Public Art Building Communities (PABC) grant in order to support Georgetown GLOW.

Respectfully submitted,
