**RE: Proposed Replacement of the Traffic Control Signal on Wisconsin Avenue
between K Street and M Street NW (DDOT Notice 17-40-TOA)**

Dear Mr. Raja,

On April 3, 2017 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (8-0-0) with regard to the above-referenced matter:

ANC 2E is grateful to DDOT for the review of and conclusions related to the traffic light on Wisconsin Avenue just south of M Street NW, pursuant to an engineering evaluation. As traffic continues to worsen along Water Street and heading north on Wisconsin Avenue, particularly in the spring and summer during evening rush hour and throughout the weekend, ANC 2E supports DDOT's recommendation to remove the flashing traffic light on the south side of the intersection by the Georgetown Park garage.

ANC 2E encourages DDOT to continue to assess the gridlock conditions along Wisconsin Avenue in order to develop effective solutions for managing the traffic. In the meantime, we support the finding that this traffic light, halting northbound traffic, is no longer justified and, furthermore, is confusing, in many cases unsafe for drivers, and backs up traffic unnecessarily. ANC 2E also supports the incorporation of signage instructing drivers to not block the intersection so that drivers may exit from the Georgetown Park garage. We look forward to hearing when the work will be completed so that we can further inform our constituents.

COMMISSIONERS:

Ed Solomon, District 1 Joe Gibbons, District 2 Rick Murphy, District 3
Mara Goldman, District 4 Lisa Palmer, District 5 Jim Wilcox, District 6
Monica Roaché, District 7 Zac Schroepfer, District 8
