**RE: District Department of Transportation's Installation of Protected Bicycle Lanes on K Street and Water Street NW and Bicycle Lanes on Wisconsin Avenue NW (DDOT Notice #17-67-PSD)**

Dear Mr. Zimbabwe,

On June 29, 2017 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by seven commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (7-0-0) with regard to the above-referenced matter:

ANC 2E thanks the District Department of Transportation (DDOT) for their continued focus on the ongoing and unsustainable Water Street NW traffic issues. The ANC looks forward to reconvening with DDOT in July to address more specific concerns and approaches to addressing these issues on a comprehensive basis.

As such, ANC 2E requests that DDOT extend the deadline for Notice of Intent (NOI) #17-67-PSD so that the ANC may vote on the proposal at the commission's September meeting. Per the ANC's conversations with DDOT, while the ANC is not taking a position on the NOI today, the commission's vote to postpone commenting on the NOI until after the period stipulated in the NOI document shall not waive the ANC's opportunity to provide a resolution at the commission's next meeting and be afforded the appropriate great weight which ANCs are afforded.

COMMISSIONERS:

Ed Solomon, District 1    Joe Gibbons, District 2    Rick Murphy, District 3  
Mara Goldman, District 4    Lisa Palmer, District 5    Jim Wilcox, District 6  
Monica Roaché, District 7    Zac Schroepfer, District 8

Respectfully submitted,
