RE: District Department of Transportation's Proposal to Install a Temporary Bus Stop on the West Side of the 1600 Block of 37th Street NW

Dear Ms. Longshore,

On April 30, 2018 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (8-0-0) with regard to the above-referenced matter:

ANC 2E does not support the proposed temporary bus stop on the west side of the 1600 block of 37th Street NW as recommended by the District Department of Transportation. The ANC notes that, during the morning rush hour, the frequency of buses at this location is approximately every 10 minutes. A bus stop at this location will impede south-bound traffic. Additionally, the east curb lane on 37th Street between Reservoir Road and R Street NW serves as a queue line for Washington International School drop-off in the morning.

ANC 2E urges the District Department of Transportation to locate the temporary bus stop on Reservoir Road NW.

Respectfully submitted,

Joe Gibbons
Chair, ANC 2E

COMMISSIONERS:

Ed Solomon, District 1 Joe Gibbons, District 2 Rick Murphy, District 3
