RE: District Department of Transportation's Draft 2017 DC Circulator Transit Development Plan

Dear Interim Director Marootian,

On October 2, 2017 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by seven commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (7-0-0) with regard to the above-referenced matter:

ANC 2E has reviewed the District Department of Transportation's (DDOT) draft DC Circulator 2017 Transit Development Plan. The ANC applauds DDOT's decision to continue to provide service on the Georgetown – Union Station route from the intersection of Wisconsin Avenue and M Street NW north to the intersection of Wisconsin Avenue and 35th Street NW, but is concerned about DDOT's use of the phrase "at this time" when it announced the decision. ANC 2E believes that the Wisconsin Avenue leg should be a permanent part of the Georgetown – Union Station route.

ANC 2E understands DDOT's desire to improve efficiency and provide the promised headway on the route, but the ANC does not believe that service improvements should be implemented that are likely to decrease ridership on the Georgetown sections of the route.

Therefore, ANC 2E requests that DDOT reconsider its plan to eliminate the east and westbound stops at the intersection of Wisconsin Avenue and P Street NW and the intersection of Wisconsin Avenue and R Street NW, and the eastbound stops at the intersection of M Street and Thomas Jefferson Street NW and the intersection of Pennsylvania Avenue and 28th Street NW.

COMMISSIONERS:

Ed Solomon, District 1 Joe Gibbons, District 2 Rick Murphy, District 3
Mara Goldman, District 4 Lisa Palmer, District 5 Jim Wilcox, District 6
Monica Roaché, District 7 Zac Schroepfer, District 8
