**RE: District Department of Transportation's Installation of Protected Bicycle Lanes on K Street and Water Street NW and Bicycle Lanes on Wisconsin Avenue NW (DDOT Notice #17-67-PSD)**

Dear Mr. Zimbabwe,

On September 6, 2017 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (6-2-0) with regard to the above-referenced matter:

ANC 2E supports the District Department of Transportation's recommendation to create order along Water Street and K Street NW and looks forward to a comprehensive, solutions-based evaluation of the traffic conditions in the area.

Based on the feedback from constituents, as well as significant study of the serious prevailing safety- and traffic-related concerns in the affected areas, ANC 2E supports Notice of Intent #17-67-PSD, provided that within six months of installation, DDOT, in partnership with ANC 2E and the Georgetown Business Improvement District, will objectively evaluate the conditions, with a particular focus on ensuring that the users of the roadway, including, but not limited to, cyclists and pedestrians, are being provided a safer environment for use than what currently exists, and that traffic operations have been improved. If such study proves otherwise, DDOT agrees to work closely with ANC 2E to either improve the conditions for the end users or to return the street to its original configuration.

Furthermore, as DDOT moves forward with the implementation of this proposal, ANC 2E requests that DDOT also move forward, on a parallel path, with evaluating the timing

COMMISSIONERS:

Ed Solomon, District 1    Joe Gibbons, District 2    Rick Murphy, District 3  
Mara Goldman, District 4    Lisa Palmer, District 5    Jim Wilcox, District 6  
Monica Roaché, District 7    Zac Schroepfer, District 8

of the lights at 27<sup>th</sup> Street and K Street NW, with an eye towards draining K Street traffic more efficiently and quickly, particularly in light of concerns related to the reduction of lanes between Thomas Jefferson Street and 30<sup>th</sup> Street NW.

Respectfully submitted,
