Mr. Earl A. Powell III, Chairman, and Members of the Commission
U.S. Commission of Fine Arts
401 F Street NW, Suite 312
Washington, DC 20001

Dear Chairman Powell and Members of the Commission:

On September 6, 2017 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by seven commissioners, constituting a quorum. At this meeting the Commission adopted the following positions on matters scheduled for consideration by the U.S. Commission of Fine Arts:

With regard to SMD 2E05 - OG 17-146 (HPA 17-263) 1051 29th Street, NW:

Acting in accordance with the resolutions adopted by ANC 2E on February 1, 2016 and April 3, 2017, ANC 2E takes no position with respect to whether demolition of the existing structure would be appropriate. However, in the event that demolition is approved, ANC 2E continues to support the latest conceptual design for the proposed West Heating Plant project.

Furthermore, ANC 2E greatly appreciates the U.S. Commission of Fine Arts' unanimous (7-0) vote in favor of the Adjaye / Olin scheme for the redevelopment of the West Heating Plant and, implicitly, their acknowledgement of ANC 2E and the Georgetown community's support for the project.

Respectfully submitted,

Joe Gibbons
Chair, ANC 2E

COMMISSIONERS:

Ed Solomon, District 1 Joe Gibbons, District 2 Rick Murphy, District 3
Mara Goldman, District 4 Lisa Palmer, District 5 Jim Wilcox, District 6
Monica Roaché, District 7 Zac Schroepfer, District 8
