### **RE: Office of Public-Private Partnerships' Proposal for the Citywide Replacement of Streetlights with LED Lights**

Dear Director Gabriel,

On April 3, 2017 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (8-0-0) with regard to the above-referenced matter:

WHEREAS, DC's Office of Public-Private Partnership (OP3), in conjunction with the District Department of Transportation (DDOT) and the Office of the Chief Technology Officer (OCTO), is initiating a complete modernization of the District's streetlight system,

WHEREAS, this complete modernization has inherent technological concerns regarding the conversion of non-LED DDOT-owned streetlights to LED streetlights.

WHEREAS, ANC 2E requests that OP3, in conjunction with DDOT and OCTO, work with the residents of ANC 2E to understand the neighborhood concerns about this new lighting technology, which has been included in OP3's Smart Lighting Project, and

WHEREAS, ANC 2E requests that the federally-protected historic characteristics of our neighborhood be taken into account when applying LED technology to our streetlight lanterns.

THEREFORE, BE IT RESOLVED that ANC 2E requests that the technology of the LED streetlights currently being analyzed by DC's Office of Public-Private Partnership, in conjunction with the District Department of Transportation and the Office of the Chief

#### COMMISSIONERS:

Ed Solomon, District 1    Joe Gibbons, District 2    Rick Murphy, District 3  
Mara Goldman, District 4    Lisa Palmer, District 5    Jim Wilcox, District 6  
Monica Roaché, District 7    Zac Schroepfer, District 8

Technology Officer, be presented to the ANC before the streetlights' installation in order to allow for community discussion.

Respectfully submitted,
