RE: Request for the District Department of Transportation to Complete a Follow-Up Study of the New Bike Lanes on K Street, Water Street, and Wisconsin Avenue NW

Dear Mr. Handsfield,

On June 3, 2019 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by six commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (6-0-0) with regard to the above-referenced matter:

ANC 2E reminds the District Department of Transportation (DDOT) that, as part of its support of Notice of Intent (NOI) #17-67-PSD, an evaluation of the conditions on K Street and Water Street between 27th Street and 34th Street NW was to be conducted within six months of the completion of the installation of the cycletrack. The ANC requested that DDOT objectively evaluate the conditions, with a particular focus on ensuring that the users of the roadway, including, but not limited to, cyclists and pedestrians, are being provided a safer environment for use than what existed prior to the installation and that traffic operations have been improved.

The request for such study was made via a resolution on September 15th, 2017 and again on July 8th, 2018. ANC 2E formally requests that such a study be undertaken as soon as practicable to ensure that the K Street and Water Street NW modifications per NOI #17-67-PSD remain in line with Vision Zero goals and that the roadway is optimally efficient. Furthermore, the ANC would like to receive the results of this study.

Commissioners Lisa Palmer (2E05@anc.dc.gov) and Rick Murphy (2E03@anc.dc.gov) are the Commission's representatives in this matter.

COMMISSIONERS:

Kishan Putta, District 1 Joe Gibbons, District 2 Rick Murphy, District 3
Anna Landre, District 4 Lisa Palmer, District 5 Gwendolyn Lohse, District 6
Elizabeth Miller, District 7 Matias Burdman, District 8

Respectfully submitted,

Richard G. Murphy, Jr.

Rick Murphy
Chair, ANC 2E
