### RE: Proposal to Launch a Georgetown Main Streets Organization

Dear Councilmember Evans,

On April 3, 2017 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (8-0-0) with regard to the above-referenced matter:

DC Main Streets is a comprehensive program that promotes the revitalization of traditional business districts in the District of Columbia. Created in 2002 through the National Trust for Historic Preservation, DC Main Streets serves as a citywide coordinating program that provides services and funding for the 12 “Main Streets” found in the District of Columbia, which include Dupont Circle, Eastern Market, and Barracks Row.

DC Main Streets’ mission is to support the traditional retail corridors of the District. Vibrant commercial corridors are an important asset to the vitality of Georgetown.

ANC 2E enthusiastically supports the creation of a Georgetown Main Streets program.

Respectfully submitted,

Joe Gibbons  
Chair, ANC 2E
