RE: Public Space Application to Install a 42 Inch Tall Black Metal Fence at 1225 37th Street NW (DDOT #365971)

Dear Chair Marcou,

On March 30, 2021 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (8-0-0) with regard to the above-referenced matter:

With regard to the public space application submitted for the construction of a fence at 1225 37th Street NW, ANC 2E's main concern continues to be the impact that such a fence may have on accessibility requirements mandated by federal and local regulations. In their latest application, the applicants have assured the ANC that the fence will not violate ADA requirements. As long as the Public Space Committee concurs with this assessment, the ANC does not oppose the application on the grounds of its impact on public space.

With regard to historic preservation, ANC 2E has no comment at this time but notes that the applicants may be required to seek Old Georgetown Board approval prior to commencing construction.

Commissioners Matias Burdman (2E08@anc.dc.gov) and Rick Murphy (2E03@anc.dc.gov) are the Commission's representatives in this matter.

COMMISSIONERS:

Kishan Putta, District 1 Jenny Mitchell, District 2 Rick Murphy, District 3
Anna Landre, District 4 Lisa Palmer, District 5 Gwendolyn Lohse, District 6
Elizabeth Miller, District 7 Matias Burdman, District 8

Respectfully submitted,

Richard G. Murphy, Jr.

Rick Murphy
Chair, ANC 2E
